Dear Parent/Guardian/Students:

Overhills High School has been kind enough to allow us to use their facility to practice, as users of this facility it is imperative that we are mindful and courteous of their facility.

This simply means that we have to leave the facility better than we find it when we arrive for practice. Please make sure that you take a minute or two after your practice to make ensure bottles, papers, and clothing etc. are retrieved and placed in either the trash or carried home by the proper individuals.

Parents please stress to your children the importance of keeping this facility clean and picking up behind themselves. We cannot afford to lose this gym, and we certainly do not want anything negative attached to our children or organization.

Again thanks for all of your support and all that you do!
